## Exalt Integrated Technologies Opens New Washington, D.C. Offices

**Washington, D.C., July 10, 2009** – Exalt Integrated Technologies, LLC has opened an expanded office at 5335 Wisconsin Avenue, N.W., demonstrating the company’s continuing commitment to providing its government clients high-quality, standards-based technology services.

“Our unique understanding of technology best-practices and regulatory requirements make us a valuable partner to our governmental clients,” said Dwayne Hayes, president and founder of Exalt Integrated Technologies.

“We know we bring very special talents and experience to the table. For their convenience, we wanted to be closer to that table,” Hayes added.

With well-over 50 years of combined experience in information technology, Exalt has strategic partnerships with major technology manufacturers and software development companies; maintains certifications in top technology systems and disciplines, holds federal security clearances and provides a unique blend of best-practice technology and understanding of a wide array of regulatory standards and requirements.

Exalt Integrated Technologies, headquartered in Alpharetta, Georgia, is a certified SBA 8(a), MBE, Woman and Service Disabled Veteran Owned Small Business.

Exalt’s new Washington, D.C. office address is: 5335 Wisconsin Avenue, N.W., Suite 440, Washington D.C. 20015-2052. The office telephone number is (202) 274-0228.
